## **DOGGONE Craft & Vendor Fair 2015**

Hello ALL,

It is that time of year again!! The DOGGONE Craft & Vendor Fair will be held Saturday May 16th, 2015 from 9 till 4 at the South Williamsport Park Complex. We would love to have you join us this year!! All the proceeds we raise through vendors fees will still be split 50/50 between the South Williamsport Police K9 Unit and the PAWS PARK off leash dog park.

I just want to let everyone that we will NOT be doing the motorcycle ride in conjunction with event. However, we are really concentrating on growing the number of vendors and hope to have upwards of 100 vendors this year!! We really want to try and re-create the "Spring Fling" atmosphere!!

It has been in the paper so I can tell you all, the American Cancer Society will be holding their Relay for Life at the South Williamsport Park Complex this year. They will be there Friday and Saturday so this should definitely help with foot traffic. Plus we will be advertising in the Sun-Gazette and Webb Weekly, on PA VENDOR.com, Connect Williamsport and Face Book, as well as the local radio stations.

Hope you are all able to join us this year!!

Respectfully,

Brenda and The Friends of PAWS PARK
